The screenshot shows the web application interface for the Nigeria HIV/AIDS Mapping & Documentation Exercise. At the top, there is a navigation menu with options: File, Edit, HIV, Reports, Data Analysis, and Help. Below this is the main header with the title "NIGERIA HIV/AIDS Mapping & Documentation Exercise" and a sub-header "CAPACITY REVIEW OF SACAs & LACAs". A dropdown menu is set to "Abuja, FCT" with a "Retrieve" button next to it. On the left, there is a "MAIN MENU" with several options: Organizations/Institutions, Brothels/Hotspots, Junction Towns, GIS Data, Target States (USAID), ARV, VCT, and Junction Towns - Map. The main content area features a photograph of two women and a child. Below the photo is a quote: "...Nigeria is now truly coming to grips with managing this epidemic" - Prof Babatunde Osotimehin, Chairman NACA. At the bottom, there is a paragraph of text: "The data contained in this database is the culmination of a three-month HIV/AIDS mapping and documentation exercise commissioned by the National Action Committee on AIDS (NACA) with financial support from the United States Agency for International Development (USAID)". A PDF icon and the text "Full report text" are also visible.
